CHARACTER REFERENCE

FOR

I have known Gwen since 2006 when she became an active member of the Metropolitan Crime Clinic and the Federal Criminal Investigator's Association (FCIA). As head of the Cleveland Office of the Naval Criminal Investigative Service, there have been several occasions when I have called upon Gwen for assistance and information. She has always been reliable and forthright. Information from her has proven to be accurate and timely. Gwen works hard to fulfill any requests that are placed upon her. She is also organized and neat. Gwen has exercised caution and care in handling sensitive issues. She has proven herself trustworthy in these matters.
